Dear Shiva,

We are pleased to extend this formal offer to you for the position of full-time Intern in our Data Science team. After careful consideration, we believe that your skills and experience will be valuable assets to our team.

Position: Data Science Intern

Start Date: May 7, 2025

End Date: July 7, 2025

Compensation: INR 10,000/ Month

This internship is offered on a full-time basis (8 hours a day). You will be reporting directly to Parshant Sharma, Director of Data Science at Startup Genome, who will provide guidance and support during your internship. Upon successful completion of the initial period, the internship may be renewed based on mutual agreement between Startup Genome and you.

You shall receive a notification from Google about your email creation in this mailbox of yours, on May 6th, 2025. Please follow the prompts to set your account up. Once you access your Startup Genome mailbox, you'll see a notification there about your Slack account. Please go ahead and follow the steps to set that up as well. An invitation for the onboarding call should also appear on your Google Calendar before you log in on your joining date. Please respond to it based on your availability for that time slot.

Feel free to reach out to me if you face any problems. (You can find my contact information in the email signature below.)

We are excited to welcome you to our team and are confident that you will make significant contributions during your time with us.

Best,
Ananya

Hello Shiva!

Glad to hear from you.

Could you please copy this acceptance email that you sent me and select 'Reply to all' and send again so Shreesh and Parshant also receive your acceptance?

Thank you

Ananya

Respected Ma'am,

I hope you're doing well. I just wanted to check if there are any documents or formalities needed from my side at this point. Kindly let me know in case anything is required.

Best regards,
Shiva Pandey

Hi Shiva,

Welcome aboard!

Your Startup Genome accounts (email and Slack) have been created. Please check your inbox for notification emails from Google Workspace. You'll first receive a notification in your personal email (this one). Follow the instructions in that email to set up your account. Once you access your SG email inbox, you'll get a notification about your Slack account. Please set that up as well.

Ananya will coordinate the onboarding call on your start date.

If you have any questions or run into any issues, feel free to reach out.

Best,
Shreesh
